To Whom It May Concern,

I am writing this letter of recommendation for Mr. Henry Lopez who is an 11th grade student attending Clovis East High School. Mr. Lopez is an outstanding student and a delightful young man who maintains high academic goals that include graduating from high school and going on to attend college.

Mr. Lopez's excellence in highly academically rigorous classes has led him to pursue Honors Math 3 and Honor Chemistry with success. During his high school years, he also attended the Center for Advanced Research and Technology School where he took classes on Web Application. Mr. Lopez is also involved in some co-curricular activities such as the Gaming Club, the Anime Club, and I-MPACT.

As a former student of mine I can say with absolute confidence that Mr. Lopez is a very dependable young man who completes all of his work on time, he is a natural born leader when it comes to group projects, and he inspires the other students around him to achieve. He is a highly self-motivated individual and has lots of potential for developmental growth both inside and outside of the classroom.

He will be an attribute to any college and an asset to any job of his choosing. If you have any questions regarding this wonderful young gentleman please feel free to contact me at Clovis East High School via telephone or email.

Sincerely,

Mrs. Christina Schwarz
